# A Dialogue on Russia Symposium

19 OCTOBER 2012 | UCLA COVEL COMMONS

Engage in a dialogue on the state of Russia's economy, education, entrepreneurship and IP law. With support from the US - Russia Foundation, the UCLA EURECA program invites you to participate in discussions on areas for collaboration and investment in Russia's growing economy. Events will also offer perspectives for students and entrepreneurs on emerging markets and areas for training and employment.
